	OPERATIONAL POLICING MEASURE	**Appendix 3**
Now	In 6 months	In 5 Years
We can: Categorise all police officers on BOCU/ OCU in specific posts - provide a uniformed visible presence; are operational or provide operational su organisational support, with actual hours scheduled to work including abstractions for Court/Sickness/Training/A/L. This provides information to support the visible, operational deployment v total police numbers debate.	PLUS on 6 Pathfinder sitesactual deployment - then engaged Custody Suite) what officer actually did (e.g. 1 hour foot patrol	Track activity of all staff via use of corporate systems, detailed posting/activity/booking on and off information is vital to support operational policing measure and C3i
We cannot: Detail the actual duty performed (e.g. scheduled foot patrol but after 1 hour involved processing prisoners for rest of shift)	See above - Now available on 6 Pathfinder sites	
Product - MPS wide and by BOCU/OCU - a total of hours worked on operational visible duty	MPS wide and by BOCU/OCU - total hours and Pathfinder - actual hours worked on specific duties	Total Corporate knowledge of activities of all staff
