The weapons described at **appendix 1** are many and varied. They have been broadly brought together in three categories for ease of analysis as follows:

Firearm: capturing actual firearms, imitation firearms, threats of firearms and believed possession of firearms.

Non-firearms: any other weapon including knives, swords, razors, sticks etc.

None/not known: including general violence towards the person and verbal threats as well as some data sets where there is no entry

Officer Defined Ethnicity (ODE)

Officer Defined Ethnicity is used in instances where an individual has been Tasered, instead of the Self-Defined ethnicity codes (16+1). The Officer defined codes are as follows:

IC1 - White

IC2 - Dark skinned European

IC3- Black

IC4 - Asian

IC5 - Oriental

IC6 - Arab
