

Donated Assets

Question

MPA Member's Name: Kit Malthouse, Chair of Full Authority

Action

The Director of Resources, MPS, agreed to provide the Chairman with the details of these donations.

Response

The Home Office donated 30 CBRN barriers which are trailer mounted. These barriers were accepted into the fleet in 2010 and carry MPS log books. Each is allocated a unique fleet number, in line with MPS policy for vehicles and trailers. They come with four years' funding for maintenance. The barriers are deployed as part of the public order asset.
