Westminster	1410	1541	1541
<b>TOTALS</b>	<b>17585</b>	<b>16715</b>	<b>17860</b>

## Notes

1. Pure RAF is the apportionment of officers based on the forecast numbers on boroughs in March 2002 if the 'no losers' clause was not to be applied
2. Max strength Mar-Oct is the best strength attained by a borough OCU between those two dates
3. The recommended allocation is the higher of the two figures for each borough – i.e the RAF allocation or the best strength
