<b>Additional information</b>		<b>Current Trends monitoring column key:</b>			
* indicates annualised figures for PYTD. Λ indicates quarterly data With the exception of 'sickness' and 'civil staff turnover' strength figures are as at the end point of the period in question.		The grades are assessed following the findings by performance control charts ○ There has been no marked change in performance ✓✓ The trend has greatly improved ✓ The trend has made a marked improvement ✗ The trend has made a marked deterioration ✗✗ The trend has deteriorated greatly Where no assessment is shown this remains to be developed.			

Indicator	2003/04 TARGET	current progress
<b>Quality of service to vulnerable victim groups</b>		
<b>To improve victim care and investigation in cases of domestic violence</b>		
CSUs to have an identified partnership worker within the unit who is able to provide victims with support and appropriate referrals to other domestic violence agencies	by 31 March 2004	
<b>Number of police officers, PCSOs and civil staff in visible posts</b>		
Number of sites where CPS lawyers are available at point of charge	20	CPS lawyers are available at 6 sites, two sites on Southwark borough, three on Lambeth and one on Barnet. On target.
<b>Usage of Staff and Resources</b>		
Development of outline strategy to manage all issues relating to the increased numbers of police staff	May-03	Governance structure for Step Change Programme now in place and Mandate signed by Deputy Commissioner. All project milestones to the end of May have been met with the exception of the delivery of several scoping studies from Strand Leaders which appear to be outstanding.
Development of outline programme plan to manage all issues relating to the increased numbers of police staff	end of July 2003	Following the publication of his budget guidance in June, the Mayor requested further options for growth and the Step Change Steering Group requested that the delivery of the project Initiation Document (inc Business Case for Growth and plan for delivery) should be put back to September. The Steering Group is now to meet on 18th September to agree preferred options for growth. <i>The Steering Group is chaired by the Deputy Commissioner and is attended by Lord Harris and representatives of the Mayor's Office and GLA.</i>
<b>Maximise MPS resources and their most effective use</b>		
Publish 'Building Towards the Safest City'	30th April 2003	Approved by MPA Finance Committee in June 2003
Establish a database of 2003/4 partnership schemes	Jun-03	Database established and populated til the end of August 2003
Accommodation requirements for C3i at:		Certain delays in production of user specifications have been mitigated and no delay is expected in the completion of the buildings. The consequential additional costs are being assessed.
Hendon	28/02/2004	
Lambeth	31/03/2004	
Bow	30/04/2004	
<b>Communicate more effectively with our staff</b>		
Boroughs, OCUs and business groups to have a communication action plan in place	31-May-03	The most recent Meeting of the Communications Board was held on 22nd July. Communications Action Plans are in place in all BOCUs, OCUs and Support Units (77 in total). Copies of CAPs have been supplied to Inspectorate and DPA. DPA are now in the process of going through the plans to identify areas of good practice and Inspectorate are currently developing an inspection framework in preparation for the process that they will undertake in September.
Re-inspection of internal communications	30-Sep-03	

Indicator	2003/04 TARGET	current progress
<b>Promotion of Safer Communities for Londoners</b>		
The number of operations aimed at disrupting organised trafficking offences	increase	Phase1 of Operation Maxim from 24th to the 29th April 03 saw 46 arrests made in 6 days. This was followed by Phase2 which commenced on 3rd July, saw 19 arrests over a 2-day period. Further operational activity led to the arrest of four persons on 16th July 2003. The Maxim operational activity continues and remains intelligence led and risk assessed and systems are being progressed in order to monitor other relative operations.
<b>Quality of service to vulnerable victim groups</b>		
Number of cases where a supervisory officer is involved at the referral stage and subsequent strategy discussions during a joint investigation with social services into a possible injury or harm to a child (recommendation 93 of Victoria Climbié Inquiry)	100% of cases	
Number of cases where a supervisory officer manages from the outset the investigation of serious crimes against children (recommendation 94 of Victoria Climbié Inquiry)	100% of cases	
<b>Revitalising the Criminal Justice System</b>		
Develop agreed standards for information and communication to witnesses and victims through the introduction of victim focus desks on boroughs	To pilot a victim focus desk, evaluate and being roll-out	
<b>Expanding approach to include all aspects of diversity</b>		
Develop in partnership an approach to community reassurance involving local identification of vulnerable groups	Establish four pilot sites and evaluate during 2003/4	
<b>Manage demands on MPS effectively</b>		
An action plan to deliver improved accessibility	Deliver the agreed action plan by October 2003 and subsequently to attain the agreed milestones	
<b>Usage of Staff and Resources</b>		
Deliver key milestones of programme of devolution according to agreed timescales within project plan	Broad devolution to all remaining OCUs and BOCUs with effect from April 2003	Devolved as planned from April 2003
<b>Develop a Strategic Analytical Capability in the MPS</b>		
Achievement of the minimum standards set for the police service nationally for the implementation of NIM	Implement 100% of standards to national timescales	MPS Tactical Intelligence products are now available and are subject to trial in the workplace prior to confirmation as policy. MPS Strategic Intelligence Products are still being formulated and work is still in progress around the preparation of a Service Strategic Assessment and the methodology behind the creation of a Service Control Strategy.. The National Intelligence Analyst Training (NIAT) course is now being delivered
