A BRIEF GUIDE TO CONTRACT REGULATIONS

These Contract Regulations (issued in accordance with section 135 of the 1972 Local Government Act) are intended to promote good purchasing practice and public accountability, secure compliance with *EU* and UK Public Procurement rules and to deter corruption. Following the rules is the best defence against allegations that a purchase has been made in breach of the law or fraudulently purchased.

Officers responsible for purchasing or disposal must comply with these Contract Regulations and all supporting documentation. Failure to comply will be considered a disciplinary offence. The Regulations lay down minimum requirements and a more thorough procedure may be appropriate for a particular *Contract*. (For example, if Rule 8.2.1 would normally require that quotes be obtained, it might be appropriate in particular circumstances to seek additional *Quotations* in writing or *Tender* submissions. Equally, it may not always be appropriate to make use of an exemption under Rule 3 even if one might apply or be granted.)

For the purposes of these rules, where there is a requirement for communication to be in writing, this shall be deemed to include other electronic means (unless stated otherwise) as well as hard copy. All *Officers* are expected to: -

- Follow the rules if you purchase goods or services or order building work.
- Also have regard for the *Financial Regulations*
- Take all necessary legal, financial and professional advice.
- Bear in mind the “Treaty of Rome” when undertaking any procurement activity i.e. the need to treat tenderers fairly and equally and opening up contract opportunities to a wider market, generally through advertising in some form so as to generate competition.
- Declare any personal financial interest in a *Contract*. Corruption is a criminal offence.
- Prepare a suitable business case and appraise the purchasing need.
- Check whether there is an existing *Corporate Contract*, *Framework Agreement* or any other *Framework Agreement* set up by a “Central Purchasing Body” that can be made use of.
- Normally allow at least four weeks for submission of bids or any

statutory prescribed period required (not to be submitted by fax or e-mail unless the Contract is being *E-Tendered*).

- Keep bids confidential.
- Complete a written Contract or purchase order before the supply or works begin, which should be approved by a suitably authorised person in line with the Scheme of Delegation.
- Identify a contract manager with responsibility for ensuring the Contract delivers as intended.
- Keep records of dealings with bidders and suppliers.
- Assess each Contract afterwards to see how well it met the purchasing need and *Value for Money* requirements.
- Pay due regard to the Authority's Equalities and Diversity Statement and GLA Group Responsible Procurement Policy

In accordance with *Standing Orders*, the regulations will be kept under review by the *Chief Executive, Treasurer and Commissioner* to ensure that the working arrangements of the *Authority* and the *Service* are conducted in accordance with relevant legislation and current best practice. They can only be varied with the approval of the *Authority*.

So far as it is possible to do so, these Regulations must be read and given effect in a way which is compatible with relevant *EU* laws and the *Public Contracts Regulations 2006* or any re-enactment or modification thereof and where that is not possible then the *Authority* shall have the discretion, after considering advice from the *Solicitor to the Authority*, to modify the requirements of these regulations in relation to any *Contract* to secure compatibility with relevant laws and statutory regulations.

SECTION 1: SCOPE OF CONTRACT REGULATIONS

1. BASIC PRINCIPLES

All purchasing and disposal procedures must:

- achieve *Value for Money* for public money spent
- comply with the *Public Contracts Regulations 2006* or any later enactments
- be consistent with the highest standards of integrity
- ensure fairness in allocating public *Contracts*
- comply with all other legal requirements
- ensure that *Non-Commercial Considerations* do not influence any decision within the procurement process
- support the *Authority's* and *Service's* corporate and departmental aims and policies
- comply with the *Authority's Procurement Strategy* and competition policy.
- have the appropriate budget and sufficient authority to proceed.

2. OFFICER RESPONSIBILITIES

2.1 Officers

2.1.1 *Officers* responsible for purchasing or disposal must comply with these Contract Regulations, *Financial Regulations* and with all UK and *EU* legal requirements. *Officers* must ensure that any *Agents*, *Consultants* and contractual partners acting on their behalf also comply.

2.1.2 *Officers* must:

- have regard to the guidance in the supporting *Procurement Services Manual*
- check whether a suitable *Corporate Contract*, *Framework Agreement* or any other *Framework Agreement* set up by a "*Central Purchasing Body*" exists before seeking to let another *Contract*; where a suitable *Corporate Contract* or *Framework Agreement* exists, this must be used unless there is a suitable business reason not to, which must be recorded in writing
- keep the records required by Rule 6
- take all necessary legal, financial and professional advice.

2.1.3 When any employee either of the *Authority*, *Service* or of a service provider may be affected by any transfer of employment, *Officers* must ensure that the Transfer of Undertaking (Protection of Employment) (*TUPE*) issues are considered and obtain advice from the *Director of Resources* and the Director of Human Resources before proceeding with inviting *Tenders* or *Quotations*. The *Director of Resources* or Director of Human Resources will seek legal advice as and when appropriate.

2.2 Chief Executive and Commissioner

2.2.1 The *Chief Executive* and *Commissioner* must:

- ensure that *Officers* comply with Rule 2.1
- keep registers of:
 - *Contracts* completed by signature, rather than by the *Authority's Seal* (see Rule 16.3) and arrange their safekeeping
 - Appropriately authorised exemptions recorded under Rule 3.

3. EXEMPTIONS, COLLABORATIVE AND E-PROCUREMENT ARRANGEMENTS

3.1 The *Authority* has power to waive any requirements within these Contract Regulations for any project (but it cannot waive any statutory obligation or other rule of law such as *Public Contract Regulations 2006* or any later enactment).

3.2 In exceptional circumstances, the *Commissioner* or his *Authorised Representative* can waive any requirements within these Contract Regulations for all contracts below £40,000. The exemption must also be reported to the *Chief Executive*, (highlighting the exemption criteria that applies and the justification for its use) but prior approval is not required.

3.3 For all exemptions likely to exceed £40,000 prior approval of the Chief Executive, in line with the agreed procedure, must be sought. However where an exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to Authority services, the Director of Resources may approve the exemption but must prepare a report for the next Authority meeting to support the action taken.

3.4 Where an exemption is necessary for any of the reasons set out in 3.3 and the *Contract* exceeds or is likely to exceed the *EU Threshold*, the exemption may be approved on behalf of the *Authority* in accordance with the Urgency Procedure defined in the *Authority's* Procedural

Standing Orders from time to time.

- 3.5 In all cases, and in keeping with Rule 6, there must be a record kept of all exemptions and the justification for their use.
- 3.6 The *Treasurer* shall monitor the use of all exemptions.
- 3.7 In order to secure *Value for Money*, the *Authority* may enter into collaborative procurement arrangements.
- 3.8 All purchases made via a *Central Purchasing Body* are deemed to comply with these Contract Regulations and no exemption is required subject always to the Public Contracts Regulation 2006.
- 3.9 The use of *E-Procurement* technology does not negate the requirement to comply with all elements of these Contract Regulations, particularly those relating to competition and *Value for Money*.

4. RELEVANT CONTRACTS

4.1 All *Relevant Contracts* must comply with these Contract Regulations. A *Relevant Contract* is any arrangement made by, or on behalf of, the *Authority* for the carrying out of works or for the supply of goods, materials or services. These include arrangements for:

- the supply or disposal of goods
- the hire, rental or *lease* of goods or equipment
- the delivery of services, including (but not limited to) those related to:
 - the recruitment of staff (see 4.2)
 - land and property e.g. Facility Management Services
 - professional, financial and consultancy services.

4.2 *Relevant Contracts* do not include:

- *Contracts* of employment which make an individual a direct employee of the *Authority*, or
- property transactions including the acquisition, disposal, or transfer of land (for which *Financial Regulations* shall apply).

SECTION 2: COMMON REQUIREMENTS

5. STEPS PRIOR TO PURCHASE

5.1 The *Officer* must make an appraisal of the purchase, in a manner commensurate with the complexity and value of the purchase, and taking into account any guidance in the *Procurement Services Manual*, by:

- appraising the need for the expenditure and its priority and ensuring the purchase accords with the approved policy framework
- assessing the risks associated with the purchase and considering how to manage them

- considering what procurement method is most likely to achieve the purchasing objectives, including internal or external sourcing, partnering, packaging strategy and collaborative or Framework procurement arrangements with the Greater London Authority, another local authority, government department, statutory undertaker or public service purchasing consortium
- consulting with the *Director of Procurement Services* about the proposed procurement method, contract standards and performance and user satisfaction monitoring for all Contracts in excess of £50,000 and for all contracts under £50,000 consulting users as appropriate
- drafting the terms and conditions that are to apply to the proposed Contract
- Preparation of a written business case setting out these and other relevant matters if the *Total Value* of the purchase exceeds £50,000.

- (a) raises questions of principle or financial policy;
- (b) possesses unusual features or involves particular risks;
- (c) might arouse particular public interest or publicity;
- (d) concerns a matter of particular importance or sensitivity; or
- (e) it concerns proposals for outsourcing *Contracts* or is connected with a public/private partnership or public finance initiative.

5.4. For all *Contracts* over the *EU Threshold* but below £5M in value, the *Director of Resources* shall submit to the *Authority* a routine contracts programme on a quarterly basis showing a 12 month rolling programme of known *Contracts* that need tendering or reviewing to take up an extension offer. Subject to approval by the *Authority* this routine contracts programme will give authority for the Commissioner to place an *OJEU* advertisement.

5.5 For all *Contracts* with a *total value* of £5M or above and in line with 5.2, approval of the *Authority* must be sought before placing an *OJEU* advertisement.

5.6 Any unforeseen *Contracts* that come to light in the interim will need to be reported to the *Authority* at the earliest opportunity, and prior to the *OJEU* advertisement being placed.

6. RECORDS

6.1 Where the *Total Value* is less than £50,000, the following records must be kept:

- invitations to quote and *Quotations*
- a record:
 - of any exemptions and the reasons for them
 - of the reason if the lowest price is not accepted
 - written records of communications with the successful contractor or an electronic record if a written record of the transaction would normally not be produced.

6.2 Where the *Total Value* exceeds £50,000 the *Officer* must record:

6.3 Records required by this rule must be kept for at least six years after the end of the *Contract* that is in a format easily accessible.

7. ADVERTISING AND FRAMEWORK AGREEMENTS

7.1 Advertising

7.1.1 *Officers* shall ensure that, where proposed *Contracts*, irrespective of their *Total Value*, might be of interest to potential *Candidates* located in other member states of the *EU*, a sufficiently accessible advertisement is published. Generally, the greater the potential interest of the *Contract* to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:

- the *Service's* website
- portal websites specifically created for *Contract* advertisements
- national official journals, or
- the Official Journal of the European Union (*OJEU*)/ Tenders Electronic Daily (TED) (even if there is no requirement within the *EU Procedure*).

7.1.2 *Officers* must ensure that all proposed *Contracts* whose *Total Value* is above the *EU Threshold* is at a minimum advertised in the Official Journal of the European Union (*OJEU*)/ Tenders Electronic Daily (TED)

7.1.3 An advertisement is not necessary when awarding a contract through an existing *framework agreement* as the contract will have already been awarded via a competitive process.

7.1.4 *Officers* are responsible for ensuring that all *Candidates* responding to an advertisement for a *Relevant Contract* are suitably assessed. The assessment process shall establish that the potential *Candidates* have sound:

- economic and financial standing
- technical ability and capacity
- ability to fulfil the requirements of the *Authority*.

7.1.5 This shall be achieved in respect of proposed *Contracts* that are expected to exceed £50,000 but which are below the relevant *EU Threshold* by selecting firms from approved shortlists assessed from expressions of interest for a particular *Contract* submitted in response to a public advertisement or from a register of pre-qualified contractors maintained by or on behalf of central government (e.g. ConstructionLine) in accordance with criteria for selection approved by the *Director of Resources*.

7.2 Framework Agreements

- 7.2.1 Without the approval of the *Authority*, given in view of exceptional circumstances, the term of a *Framework Agreement* must not exceed four years and, while an agreement may be entered into with one provider, where an agreement is concluded with several organisations, there must be at least three in number.
- 7.2.2 *Contracts* based on *Framework Agreements* may be awarded only in accordance with the provisions of the *Public Contracts Regulations 2006* or any re-enactment or modification thereof.
- 7.2.3 *Framework Agreements* shall be tendered and awarded in accordance with the procedures detailed within these Contract Regulations.
- 7.2.4 When awarding *Contracts* from a *Framework Agreement* the approval mechanism must follow that for all other *Contract* types as detailed in para 15.4.

SECTION 3: CONDUCTING PURCHASE AND DISPOSAL

8. COMPETITION REQUIREMENTS FOR PURCHASE, DISPOSAL AND PARTNERSHIP ARRANGEMENTS

8.1 The *Officer* must calculate the *Total Value*.

The following procedures apply where there are no other procedures that take precedence. Other procedures may include agency agreements with government. If in doubt, *Officers* must seek the advice of the *Director of Resources*.

8.2 Purchasing – Competition Requirements

8.2.1 Where the *Total Value* for a purchase is within the values in the first column below, the *Tender* process outlined in the second column must be followed. The persons specified in the third column shall do the *Shortlisting*.

Total Value	Tender requirement	Shortlisting
Up to £5,000	One written <i>Quotation</i>	<i>Officer*</i>
£5,001 to £50,000	Three written <i>Quotations</i>	<i>Officer*</i> and <i>Line Manager*</i>

Above <i>EU Threshold</i>	<i>EU Procedure</i> or, where this does not apply, <i>Invitation to Tender</i> to at least four Tenderers	<i>Line Manager*</i> and <i>Director of Resources</i>

*As defined in the *Business Unit's Local Scheme of Delegation*

8.2.2 Where it can be demonstrated that there are insufficient suitably qualified *Candidates* to meet the competition requirement, all suitably qualified *Candidates* must be invited.

8.2.3 An *Officer* must not enter into separate *Contracts* nor select a method of calculating the *Total Value* in order to avoid or minimise the application of these Contract Regulations.

8.2.4 Where the *EU Procedure* is required, the *Officer* shall consult the *Director of Resources* to determine the method of conducting the purchase.

8.3 Assets for Disposal

8.3.1 Assets for disposal must be sent to public auction except where they have no residual value or where better *Value for Money* is likely to be obtained by inviting *Quotations* and *Tenders*. (These may be invited by advertising on the *Authority's* or *Service's* internet site.) In the latter event, the method of disposal of surplus or obsolete stocks/stores or assets other than land must be formally agreed with the *Director of Resources*. This does not apply to property transactions for which *Financial Regulations* shall apply.

8.4 Providing Services to External Purchasers

8.4.1 All proposals to bid, *tender* or quote for the provision of services to other organisations (including other GLA functional bodies and local authorities) shall require the specific approval of the *Authority*. This paragraph does not apply to the provision of special policing services under the Police Act 1996 or to the provision of mutual aid by the *Commissioner* to another force under s24 Police Act 1996

8.5 Collaborative and Partnership Arrangements

8.5.1 Collaborative and partnership arrangements are subject to all UK and *EU* procurement legislation and must follow these Contract Regulations. If in doubt, *Officers* must seek the advice the *Director of Resources*.

8.6 The Appointment of Consultants to Provide Services

8.6.1 All professional and management *Consultants* shall be selected and commissions awarded in accordance with the procedures detailed within these *Contract* regulations and as outlined below.

Total Value	Tender requirement	Shortlisting
Up to £5,000	One written <i>Quotation</i>	<i>Officer</i>
£5,001 to £50,000	Three written <i>Quotations</i>	<i>Officer and Line Manager</i>
£50,001 to <i>EU Threshold</i>	<i>Invitation to Tender</i> to at least four Tenderers	<i>Line Manager and Director of Resources</i>
Above <i>EU Threshold</i>	<i>EU Procedure</i> or, where this does not apply, <i>Invitation to Tender</i> to at least four Tenderers	<i>Line Manager and Director of Resources</i>

8.6.2 The engagement of a *Consultant* shall follow the agreement of a brief that adequately describes the scope of the services to be provided and shall be subject to completion of a *Contract* of appointment.

8.6.3 Records of consultancy appointments shall be maintained in accordance with Rule 6

8.6.4 *Consultants* shall be required to provide evidence of, and maintain professional indemnity insurance policies to the satisfaction of the relevant *Officer* for the periods specified in the respective agreement.

9. PRE-TENDER MARKET RESEARCH AND CONSULTATION

9.1 The *Officer* responsible for the purchase:

- may consult potential suppliers prior to the issue of the *Invitation to Tender* or, in the case of an EU regulated procurement prior to the issue of an OJEU notice and / or associated bidder qualification documentation, in general terms about the nature, level and standard of the supply, *Contract* packaging and other relevant matters, provided this does not prejudice any potential *Candidate*, but
- must not seek or accept technical, commercial or procedural advice on the preparation of any tender, qualification or requirement advertising documentation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential *Candidates* or distort competition, and
- should seek advice from the *Director of Resources*
- As part of such a pre-market engagement, the *Officer* may seek to alert potential suppliers that the Authority plans to start a detailed procurement project through the advertising of an appropriately drafted Prior Information Notice (PIN) in the Official Journal of the European Union (OJEU)/ Tenders Electronic Daily (TED). For note PINs are not invitations to *Candidate* to apply for inclusion on a tender list and install no obligation on the Authority to issue a subsequent tender. Approval of the *Authority* must be sought before the issuing of a PIN.

10. STANDARDS AND AWARD CRITERIA

10.1 The *Officer* must ascertain what are the relevant British, European or international standards that apply to the subject matter of the *Contract*. The *Officer* must include those standards that are necessary properly to describe the required quality. The *Director of Resources* must be consulted if it is proposed to use standards other than European standards.

10.2 The *Officer* must define *Award Criteria* that are appropriate to the purchase and designed to secure an outcome giving *Value for Money* for the *Authority*. The basic criteria shall be that which:

- (a) is the 'most economically advantageous' from the point of view of the contracting authority; or

- (b) offers the 'lowest price' where payment is to be made by the *Authority*
- (c) offers the 'highest price' if payment is to be received
- 10.3 If the first criterion is adopted, it must be further defined by reference to sub-criteria that may refer only to relevant considerations. These may include price, service, quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, quality, relevant environmental and other responsible procurement considerations, aesthetic and functional characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters.
- 10.4 The Officer shall notify the Chief Executive in writing of any Contract not awarded in accordance with the criteria detailed in paragraph 10.2.
- 10.5 *Award Criteria* must not include:
- *Non-Commercial Considerations*
 - matters that discriminate against suppliers from the *European Economic Area* or signatories to the *Government Procurement Agreement*.

11. TENDERING

- 11.1 *Contracts* for values in excess of the *EU Thresholds* can be let using the following procurement processes:
- *Open or Restricted Procedure*
 - *Negotiated Procedure*
 - *Competitive Dialogue*
- (save where an exemption is conferred under EC laws and or the *Public Contracts Regulations 2006* and the *Authority* approves the reliance on such an exemption)
- 11.2 The *Open/Restricted* process should normally be followed. In exceptional circumstances the *Negotiated* or *Competitive Dialogue* processes maybe used. However given the potential complexities of using either of these procedures, prior approval of the *Authority* must be sought before they are used.
- 11.3 All *Tender* documentation shall state that only in exceptional circumstances will a *Tender* be considered that has not been received by the date and time stipulated in the *Invitation to Tender*. The *Chief Executive* must be notified, in writing, of all circumstances a late *Tender* has been accepted giving the reasons for acceptance.
- 11.4 All *Tender* documentation shall include as a minimum the following:
- A specification that describes the *Authority's* requirements in sufficient detail to enable the submission of competitive offers.

- A requirement for tenderers to declare that the *Tender* content, price or any other figure or particulars concerning the *Tender* have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence for a necessary purpose).
- A requirement for tenderers to complete fully and sign all *Tender* documents including a form of *Tender* and certificates relating to canvassing and non-collusion.
- Notification that *Tenders* are submitted to the *Authority* on the basis that they are compiled at the tenderer's expense.
- A description of the Award Procedure and, unless defined in a prior advertisement, a definition of the Award Criteria in objective terms and if possible in descending order of importance or an indication of the weighted importance of each award criteria.
- Notification that no *Tender* will be considered unless it is enclosed in a sealed envelope or container which bears the word "Tender" followed by the subject to which it relates, but no other name or mark indicating the sender. If a contract is being *E-Tendered* then the *Tender* should be submitted in line with the *E-Tendering* process agreed with the *Treasurer*.
- A stipulation that any *Tenders* submitted by fax or other electronic means shall not be considered unless *Contracts* are being *E-Tendered* where the *Tenders* should be submitted in line with the *E-Tendering* process agreed with the *Treasurer*.
- The method by which any arithmetical errors discovered in the submitted *Tenders* is to be dealt with. In particular, whether the overall price prevails over the rates in the *Tender* or vice versa.
- Include the *Director of Procurement Services Diversity and Environmental Questionnaires*.

11.5 All *Tender* documentation must:

- Specify the goods, service or works that are required, together with the terms and conditions of *Contract* that will apply (see Rule 16).
- state that the *Authority* is not bound to accept any *Quotation* or *Tender*.

11.6 All *Candidates* invited to *Tender* or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.

12. SHORTLISTING

12.1 Any *Shortlisting* must have regard to the financial and technical standards relevant to the *Contract* and the *Award Criteria*. Special rules apply in respect of the *EU Procedure*.

12.2 The *Officers* responsible for *Shortlisting* are specified in Rule 8.2.1.

13. SUBMISSION, RECEIPT AND OPENING OF TENDERS/ QUOTATIONS

13.1 *Candidates* must be given an adequate period in which to prepare and submit a proper *Quotation* or *Tender*, consistent with the complexity of the *Contract* requirement. Normally at least four weeks should be allowed for submission of *Tenders*. The *EU Procedure* lays down specific time periods (see guidance in the *Procurement Services Manual*).

13.2 All *Tenders* must be returned to the nominated *Officer* who must be a different person to that issuing the *Tender* documentation.

13.3 *Tenders* received by fax or other electronic means (e.g. email) must be rejected, unless they have been sought in accordance with the *E-Tendering* system approved by the *Treasurer*.

13.4 Prior to the closing date for the receipt of *tenders* the *Officer* must not disclose the names of *Candidates* to any staff involved in the receipt, custody or opening of *Tenders*.

13.5 The *Director of Resources* or the *Nominated Person* (for all *Tenders* below £50,000) shall be responsible for the safekeeping of *Tenders* until the appointed time of opening. Each *Tender* must be:

- suitably recorded so as to subsequently verify the date and precise time it was received
- adequately protected immediately on receipt to guard against amendment of its contents
- recorded immediately on receipt in the *Tender Record Log*.

13.6 The *Director of Resources* or *Nominated Person* must ensure that all *Tenders* are opened at the same time when the period for their submission has ended. The *Officer* or his or her representative must be present. *Tenders* must be opened in the presence of two *Officers* representing the *Commissioner* neither of whom can be involved in the direct management, evaluation or supervision of the *Contract*. Where the *Total Value* is more than the *EU Threshold*, one must be the *Nominated Person* within *Procurement Services*. If an *E-Tendering* process is being used the *tenders* must be opened in accordance with the *E-Tendering* system approved by the *Treasurer*.

13.7 Upon opening, a summary of the main terms of each *Tender* (i.e. significant issues that are unique to each *Tender* submission and were not stated in the *Tender* invitation documents such as *Tender* sum, construction period, etc) must be recorded in the *Tender Record Log*. The summary must be initialled on behalf of the *Director of Resources*.

14. CLARIFICATION PROCEDURES AND POST-TENDER NEGOTIATION

- 14.1 Providing clarification of an *Invitation to Tender* or Best and Final offer (if using the negotiated route) to potential or actual *Candidates* or seeking clarification of a *Tender*, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a *Tender* and before the award of a *Contract* with a view to obtaining adjustments in price, delivery or content (i.e. post-tender negotiations) must be the exception rather than the rule. In particular, they must not be conducted in an *EU Procedure* where this might distort competition, especially with regard to price.
- 14.2 If post-tender negotiations are necessary after a single-stage *Tender* or after the second stage of a two-stage *Tender*, then such negotiations shall only be undertaken with the tenderer who is identified as having submitted the best *Tender* and after all unsuccessful *Candidates* have been informed. During negotiations tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the *Tender* documents. *Officers* appointed by the *Director of Resources* to carry out post-tender negotiations should ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions in writing.
- 14.3 Post-tender negotiation must only be conducted in accordance with the guidance issued by the *Director of Resources* who must be consulted wherever it is proposed to enter into post-tender negotiation. A team of at least two *Officers*, one of whom must be from a business unit independent to that leading the negotiations, must conduct negotiations.
- 14.4 Where post-tender negotiation results in a fundamental change to the specification (or *Contract* terms) the *Contract* must not be awarded but re-tendered.

15. EVALUATION, AWARD OF CONTRACT, AND DEBRIEFING CANDIDATES

- 15.1 Apart from the debriefing required or permitted by these *Contract* Regulations, the confidentiality of *Quotations*, *Tenders* and the identity of *Candidates* must be preserved at all times and information about one *Candidate's* response must not be given to another *Candidate*.
- 15.2 *Contracts* must be evaluated and awarded in accordance with the *Award Criteria*. During this process, *Officers* shall ensure that submitted *Tender* prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily.
- 15.3 The arithmetic in compliant *Tenders* must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their *Tender*. Alternatively, if the rates in the *Tender*,

rather than the overall price, were stated within the *Tender* invitation as being dominant, an amended *Tender* price may be requested to accord with the rates given by the tenderer.

- 15.4 *Officers* may accept *Quotations* and *Tenders* received in respect of proposed *Contracts*, provided they have been sought and evaluated fully in accordance with these *Contract Regulations* and have been approved by the relevant *Officer* or *Decision Making Body* as detailed in the table below (see also 15.5).

Total Value	Approval required by
Up to £999,999	In line with the MPS <i>Scheme of Delegation</i>
£1,000,000 to £4,999,999	<i>Management Board</i> or another duly authorised board as defined in the MPS <i>scheme of delegation</i>
