

Cost of Policing Public Order Operations - 15 months 1 January 2006 to 31 March 2007

Appendix 1

Introduction:

The MPS reports annually on costs associated with policing public order events requiring more than 300 police officer shifts. In future, the public order report will be prepared for each financial year, as opposed to the previous method, which detailed the calendar year. The purpose of this report is to provide an update on the estimated cost of events for the 15 month period from 1 January 2006 to 31 March 2007 (transitional period). The details are summarised in date order in the following table (rounded):
