Force Total		3,256,260	100.0	3,095,115	100.0

Note 1 – Data for 2006/07 has been restated due to changes within the Home Office activity and incidents codes for the current year.

Note 2 - Sustaining overheads are force wide costs that are not attributable to current service delivery and are not subject to the influence or direction of the BCU commander. These costs may be legally required, such as the cost of producing statutory accounts or to ensure the future provision of the service, e.g. costs relating to ICT development, policy formulation, legal services etc.
