

Recommendations and areas for improvement on neighbourhood policing

Neighbourhood policing

2007 Grade: Excellent

RECOMMENDATION 1 - That the force revisit the rationale and the mechanisms that are in place to ensure the appropriate allocation of Safer Neighbourhood policing resources to the communities that have more challenging policing environments.

RECOMMENDATION 2 - That the force ensures that the maximum benefit is derived from police community support officers by reviewing the current patrol methods in order to encourage further engagement with the community.

RECOMMENDATION 3 - That the force should ensure there is a clear succession planning programme for Safer Neighbourhood team staff in order to deliver a sustainable resource

RECOMMENDATION 4 - That the force ensures there is a corporate approach to the processes and products for the National Intelligence Model in all Safer Neighbourhood teams
