**Notes:**

1. Payments reflect point of submission of claim and therefore may relate to more than one month's overtime.
2. Active Assignment represents Police Officers on normal operational duties.
3. Not all overtime hours worked are paid for; some is taken as Time Off In Lieu (TOIL).
4. Due to restructuring within TP as of 1 April 2010 the Transport OCU has moved from Neighbourhood Policing and Partnership to Safer Transport Command Response, Patrol and Policing Pledge.
5. The Business Group totals do not match those provided in Table 5 as a result of the internal Public Order Aid mechanism, whereby costs are transferred between Business Groups but activity assignments are not.
