Figures are those used for the Policing Plan 2005/06

Measures	2003/04 PY	2004/05 TARGET	2004/05 PY	Comment
Objective 1: To minimise the risk to life and property from terrorist activity in London				
Number of quality intelligence reports (Monthly Average)	653	**N/A**	941	
Appropriate number of Counter Terrorism deployments (Monthly Average)		**N/A**	6	
Objective 2: To maintain an effective response to suspected and actual terrorist incidents				
Percentage of terrorist scenes managed to a good or very good standard	95%	**90%**	97%	
Once tasked, to attend suspected or actual terrorist scene within set target - first officer at scene in 12 minutes	77%	**100%**	78%	
Objective 3: To reduce the level of gun crime				
Reduce the number of gun enabled crime offences	3,966	**4% reduction**	-7.9% (3,653)	
Detection rate for gun enabled crime	18.3%	**20%**	24%	

Objective 4: To disrupt organised criminal activity of persons identified as Class A drugs suppliers				
The number of drug trafficking organisations disrupted	N/A	**12 per annum**	25	
The number of proactive operations against open drugs markets	N/A		30	Work is ongoing to set up data collection arrangements for this measure, as the information is not gathered by the MPS's automated data collection systems. However operations against open drug markets have been ongoing in the boroughs throughout the year.
The number of proactive operations against crack houses	489	**10% increase (538)**	549	The figure given for 2004/05 is for five boroughs (Lambeth, Haringey, Camden, Hackney & Southwark). However operations against crack houses have been ongoing in all boroughs throughout the year.
SPI 6c: The number of class A drug supply offences brought to justice per 10,000 population	2.4		2.8	These figures are supplied by the Home Office
SPI 6c: Of these, the percentage, each, for cocaine and heroin supply	51.1% cocaine 25.5% heroin		53.2% cocaine 23.8% heroin	These figures are supplied by the Home Office
Objective 5: To dismantle organised criminal networks and seize their assets				
Value of assets recovered (Economic and Specialist Crime Directorate only)	N/A	**More than £8m**	21.5m	
The number of organised criminal networks disrupted (per month)	N/A	**2**	3.4	
Objective 6: To safeguard children and young persons from physical and sexual abuse				

Detection rate in allegations of intra-familial abuse	N/A	**35%**	51%	
Number of arrests of subjects identified by Child Protection Intelligence Unit (Monthly Average)	N/A	**3.3**	3.4	
Detection rate for murders investigated by Child Protection murder teams	N/A	**85%**	67%	All cases are sensitively and compassionately investigated bearing in mind suspects come from within the family. This can lead to difficulties in obtaining evidence in the small numbers of cases investigated.
Objective 7: To improve neighbourhood safety				
Percentage satisfied with the way their neighbourhood is policed	N/A	**55%**	48.7%	
Visible uniformed operational police hours	20,441,034	**5% increase**	3.1% increase (21,074,980)	There was no prior data as a guideline when the target was set during 2004/2005.
Percentage who think crime has increased / decreased in neighbourhood	N/A	**No baseline data**	30.5% think crime has increased in their neighbourhood, while 5.4% think it has decreased	
Percentage who think anti-social behaviour has increased/decreased	N/A	**No baseline data**	34.6% think anti-social behaviour has increased, while 4.8% think it has decreased	

SPI 1a: Satisfaction of victims of: domestic burglary, violent crime, vehicle crime and road traffic collisions with respect to *making contact with the police*.	N/A	**No baseline data**	81.7% satisfied 47.3% (completely &very)	
SPI 1b: Satisfaction of victims of: domestic burglary, violent crime, vehicle crime and road traffic collisions with respect to *action taken by the police*.	N/A	**No baseline data**	63.5% (satisfied) 37.0% (completely &very)	
SPI 1c: Satisfaction of victims of: domestic burglary, violent crime, vehicle crime and road traffic collisions with respect to *being kept informed of the progress.*	N/A	**No baseline data**	48.2% (satisfied) 22.5% (completely & very)	
SPI 1d: Satisfaction of victims of: domestic burglary, violent crime, vehicle crime and road traffic collisions with respect to *their treatment by staff.*	N/A	**No baseline data**	86.3% (satisfied) 58.7% (completely & very)	
SPI 1e: Satisfaction of victims of: domestic burglary, violent crime, vehicle crime and road traffic collisions with respect to *the **overall service provided.***	N/A	**No baseline data**	68.0% (satisfied) 39.3% (completely & very)	
SPI 2a: Using the British Crime Survey, the percentage of people who think their local police do a good job	N/A	**No baseline data**	51.5%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.

SPI 4a: Using the British Crime Survey, the risk of personal crime	11%	**No target set**	8.2%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.
SPI 4b: Using the British Crime Survey, the risk of a household crime	21%	**No target set**	19.3%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.
SPI 5a: Domestic burglaries per 1,000 households	21.0	**-7%** **(19.5)**	19.5	
SPI 5b: Violent crime per 1,000 population	32.1	**No target set**	34.1	
SPI 5d: Vehicle Crime per 1,000 population	21.6	**-8%** **(19.9)**	18.5	
SPI 5e: Life threatening crime and gun crime per 1,000 population	1.0	**No target set**	1.0	
SPI 9a: Road traffic collisions resulting in death or serious personal injury per 100 million vehicle kilometres travelled	13.9	**-4%** **(13.3)**	10.4	
SPI 10a: Using the British Crime Survey, the percentage of people who are worried about burglary	16.0%	**No target set**	17.1%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.
SPI 10a: Using the British Crime Survey, the percentage of people who are worried about car crime	19.0%	**No target set**	19.2%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.
SPI 10a: Using the British Crime Survey, the percentage of people who are worried about violence	22.0%	**No target set**	24.6%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.

SPI 10b: Using the British Crime Survey, feelings of Public Safety	N/A	**No target set**	29.1%	This data comes from the British Crime Survey and relates to the year ending December 04. Financial year data will be provided when available.
SPI 11a: Proportion of police officer time available for frontline policing	66.4%	**To maintain performance level of 2003/04**	N/A	2004-05 data is not yet available from the Home Office
Objective 8: To reduce the level of robbery compared to 2003/04				
Reduce the number of robberies	40,640	**11% reduction**	4.0% reduction (39,033)	
SPI 5c: Robberies per 1,000 population	5.5	**5**	5.3	
SPI 7d: Percentage of robberies detected	12.4%	**15%**	15.5%	

Objective 9: To improve our contribution to the effectiveness of the criminal justice system				
Percentage of total notifiable offences detected	15.40%	**20%**	21.1%	
Arrest warrants outstanding	14,313	**13,124**	13,745	The figure for 2004/05 was taken from the Operation Emerald Warrants Management system and represents failed to appear and bench warrants. The figure for 2003/04 was taken from PNC.
Victim Satisfaction *(Same as SPI 1e)*	N/A		68.0%	
SPI 6a: Number of notifiable/recorded offences resulting in conviction, caution or taken into consideration at court	131,156	**138,373**	150,959	This figure has been provided by the Home Office
SPI 6b: Percentage of notifiable/recorded offences resulting in conviction, caution or taken into consideration at court	12.3%	**No target set**	14.7%	This figure has been provided by the Home Office
SPI 7a: Percentage of notifiable/recorded offences resulting in charge, summons, caution or taken into consideration at court	12.7%(134,580 sanctioned detections)	**No target set**	14.7% (149,128) sanctioned detections)	
SPI 7b: Percentage of domestic burglaries	10.3%	**14%**	13.5%	
SPI 7c: Percentage detected of violent crime	24.3%	**No target set**	38.3%	
SPI 7e: Percentage detected of vehicle crime	4.0%	**6%**	5.4%	

Objective 10: To recognise and respond appropriately to the differential impact of crime on people taking into account their race, gender, sexual orientation, faith, age or disability.				
The detection rate for rape offences	32.8%	**35%**	38.4%	
The detection rate for homophobic crimes	19%	**26%**	32.3%	
The detection rate for racist crimes	20%	**26%**	34.5%	
The detection rate for domestic violence	31.6%	**35%**	55.1%	
SPI 3a: Satisfaction of victims of racist incidents with respect to the overall service provided	N/A	**70%**	58.7% (satisfied) 30.7% (very & completely)	
SPI 3b: From 1e Comparison of satisfaction for white users and users from visible minority ethnic groups with respect to overall service provided	N/A		White 69.9% (satisfied) 42.2% (very & completely)	
	N/A		Visible Minority Ethnic 62.8% (satisfied) 31.5% (very & completely satisfied)	
SPI 3c: Percentage of PACE stop/searches of white people which lead to arrest	12.0%	**No target set**	9.8%	
SPI 3c: Percentage of PACE stop/searches of visible minority ethnic people which lead to arrest	12.1%	**No target set**	10.4%	
SPI 3d: The sanction detection rate of Violence Against the Person offences where the victim is White	15.0%	**No target set**	15.6%	

SPI 3d: The sanction detection rate of Violence Against the Person offences where the victim is from visible minority ethnic groups	10.4%	**No Target set**	11.1%	
SPI 8a: Percentage of domestic violence incidents with a power of arrest where an arrest was made related to the incident	47.4%	**No Target set**	46.0%	The 2003/04 figure has been updated from that previously published to better reflect the definition.
SPI 8b: Of 8(a), the percentage of partner- on-partner violence	N/A	**No Target set**	95.5%	
■ **RESOURCE USE: CAPABILITY MEASURES**				
SPI 12a: Proportion of police recruits from minority ethnic groups compared to the proportion of people from minority ethnic groups in the economically active population	16.8% 26.1%	**No target set**	13.4% 26.1%	
SPI 12b: Ratio of officers from minority ethnic groups resigning to all officer resignations	2.9	**No target set**	2.3	
SPI 12c: Percentage of female police officers compared to overall force strength	18.5%	**No target set**	19.5%	
SPI 13a: Number of working hours lost due to sickness by police officers	64.3	**69.8**	56.7	
SPI 13b: Number of working hours lost due to sickness by police staff	70.7	**70.9**	65.7	

All Population and Household figures used are sourced from the 2003 mid year estimates
